

Monday 8 June 2026

Kia ora Wellington whānau, caregivers and community,

We want to provide an update on the recruitment process for our Linden School Provision.

The latest round of recruitment has now closed, and unfortunately, we did not receive any applications for the position.

While this is disappointing, we remain committed to finding the right person for the role. Over the coming weeks, we will take time to review our recruitment process. Once the review is complete the position will be re-advertised, and recruitment will continue.

We understand the importance of keeping our families and community informed and will continue to provide updates as the process progresses.

Thank you for your ongoing understanding. We know this role is important to our students, whānau and staff, and appreciate your patience as we work through the process.

Ngā mihi nui,

Olivia Gorman
Deputy Principal - Teaching and Learning
Ko Taku Reo Deaf Education
