

# Year 7 to 10 Immersion Hui

## 23 – 27 November 2020

The **Year 7 to 10 Immersion Hui** is a five-day residential course designed to meet the specific needs and interests of students.

Students will enjoy participating in using NZSL and will learn about the deaf culture. They will have an opportunity to interact with students at the Ko Taku Reo Christchurch Provisions. It is a chance for Hui attendees to broaden their understanding of deaf culture through the many opportunities for interaction with other deaf students.

Making new friends is an integral part of this course and they will gain new skills which will equip them for their future.

The specific topics for this Hui are decided through consultation with families/whanau, RTDs, students and the Immersion Hui Team.

As numbers are limited for the Hui, please ensure all applications are sent to me by the **closing date Friday 25 September 2020**.

Kind regards

**Andrea Hinchey** | Directors Assistant
